Date: February 2, 2001

Fee-for-service [01] Experience-rated HMO [01] Community-rated [01]

SUBJECT: Administrative Changes

The new year has brought some changes to the Retirement and Insurance Service that we want to share with you. Under the recently enacted Long-Term Care Security Act, we will offer long-term care insurance by October 2002, to the more than 13 million individuals that make up the "Federal Family".

Frank D. Titus, our former Assistant Director for Insurance Programs, has assumed the position of Assistant Director for Long-Term Care and will lead a task force to assure the success of this major new benefit offering. I now hold the position of Assistant Director for Insurance Programs. Previously, I was Chief of the Insurance Policy and Information Division in the Office of Insurance Programs.

I look forward to working together with you and wish you the best in the new year.

Sincerely,

Abby L. Block
Assistant Director
for Insurance Programs
