|--|--|
| <p>Pursuant to OPM's oversight authority under section 1104(b)(2) of title 5, United States Code and section 5.2 of title 5, Code of Federal regulations, agencies must seek OPM approval prior to appointing any current or former political appointee to a permanent non-political civil service position.</p> <p>Use this form when submitting a package for proposed appointment of a current or former political appointee to a position in the excepted service. It is important to identify and submit cases and corresponding documentation for OPM approval promptly prior to appointment, as failure to do so will necessitate review after an individual is appointed and may require corrective action.</p> <p>Please complete this form and submit items listed on the following page to PoliticalConversions@opm.gov, noting reasons for any items not available. OPM will acknowledge receipt, assignment, and acceptance of cases separately. Cases will be assigned to an evaluator at which time your agency will be notified and be required to provide access to the case in the automated staffing system within two business days. Cases will be accepted once all information necessary to review the case is provided.</p> | |
